OPPORTUNITIES FOR FUNDRAISING PARTNERS

Rape Crisis Tyneside and Northumberland

is a charity that provides services to women and girls who live, work or study in Tyneside and Northumberland. We are here for women and girls who have experienced sexual violence at any time in their lives.

Why we need your support

Achieving our mission would not have been possible without our fundraising supporters who have organised and attended events, chosen us as their company charity, and taken on challenges.

Our 2020 challenge:

Go the Extra Half

COVID-19 has caused the cancellation of many large fundraising events, but we are challenging our supporters to not let this stop them!

We are asking them to go the extra mile (or the extra 13.1!) by completing a half marathon in the month September - this could be a run, walk, cycle or even relay between friends - in support of RCTN.

How your organisation can help

Become an Extra Half Corporate Champion

Become a headline partner and pledge to boost participant's fundraising efforts, by donating 50% of the total fundraised by individuals - adding an Extra Half for their efforts!

This would mean if Alice runs her half marathon and raises £100 in donations from her friends and family, your organisation would supplement this with a £50 donation, bringing Alice's total to £150!

Time and a Half to your Staff

Firstly, encourage your staff to participate!

Next, boost their fundraising efforts with 'time and a half' - pledging to donate an additional 50% of their total once they finish their challenge (similar to the Extra Half Corporate Champion set-up but only applicable to your staff)

Partner benefits

more reasons to feel great for helping

In addition to being able to shout about your staff's incredible challenge achievements, and charitable work, our partners will receive:

- Your organisation logo on all challenge materials and the website page
- Mentions on our social media channels
- Social media templates for your use
- Mention in RCTN's annual report
